 **Fardar Fashions Limited**

From knit to woven to sweater, we master every material. Your complete collection for contemporary style, built on quality assurance

## Company Profile

We started as a small garment manufacturing unit in Gazipur, the industrial part of Dhaka in 2020. Fardar Fashions has been engaged in manufacturing & exporting apparel. Though relatively small compared to contemporary manufacturer in Bangladesh, we have a compliant factory, highly skilled work force, a flexible production platform, experienced staff and more than 05 years of manufacturing expertise.

# ABOUT US

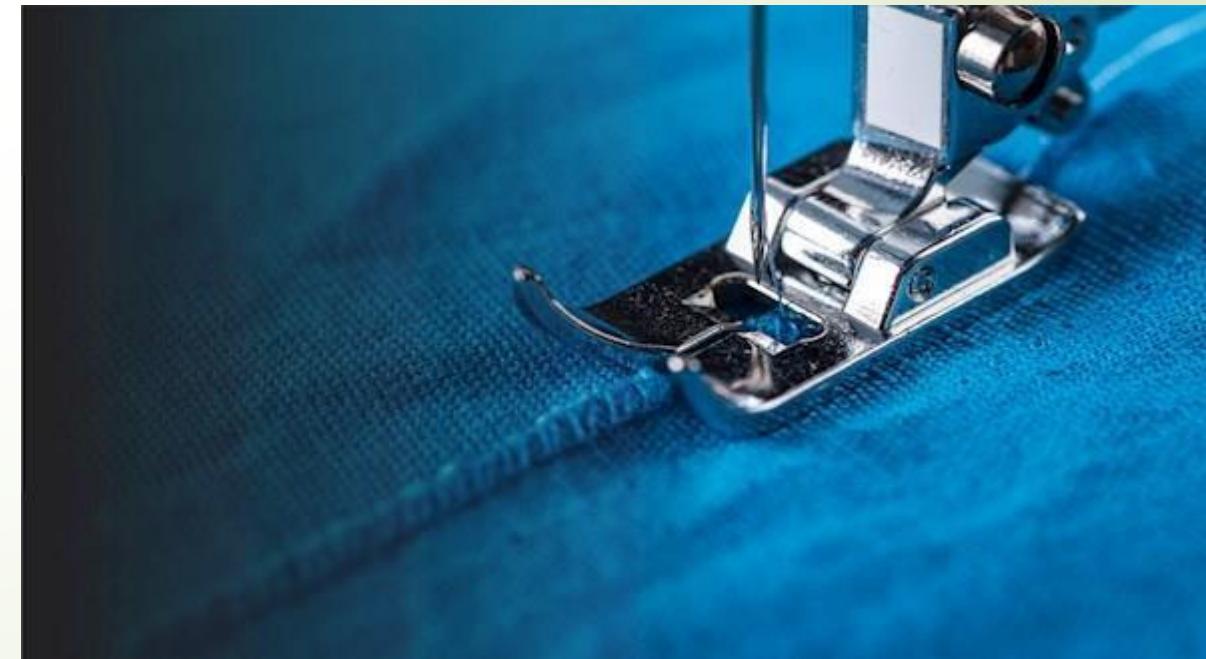

**Fardar Fashions Limited** was established in 2020 by some entrepreneurs, then it was taken over by the present management body in 2020. The industry is a 100% export-oriented readymade **Woven, Knit & Sweater garments** industry located in **Gazipur District** (20 km north-east of Dhaka city). The sponsors have long been engaged in the manufacturing of ready-made garments.

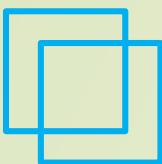

The main objective of the proposed Ready Made Garments project is to ensure the supply of high-quality products to the export market from Bangladesh. The company aims to increase the competitive edge of Woven, Knit & Sweater apparels in export markets while achieving expected returns on investment.

Fardar Fashions Limited is dedicated to excellence in **merchandising, product development, production, and logistics**. The company has earned a reputation in the global apparel industry as one of the foremost factories in Bangladesh for its commitment to **quality, timely delivery, and total value**.

Through an extensive sourcing network, the company effectively procures the best materials. Customers rely on Fardar Fashions Limited to deliver **high-quality products and superb service**, enabling them to successfully compete in the emerging marketplace.

The company has a wide range of **product development capabilities** and utilizes progressive tools such as **CAD-CAM** to meet specific price points and achieve quality. The management team has a deep understanding of the needs of companies in the West and the production capabilities of firms in the East, making **overseas sourcing easier**.

# WHY PERTNER WITH US

## Manufacturing

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether order quantity is 1,500 or 100,000 pieces

## MOQ

Minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

## Lead Time

- ❖ 70-90 days from fabrics approval (Local Fabrics)
- ❖ 90-120 days from fabrics / print design or color selection (imported fabric by sea shipment).

## Design & Develop

We can assist customer creating fits and design for garments. We offer choices of fabrication, wide range of accessories and different packaging method: flat pack, boxed pack, hanging garments, etc.

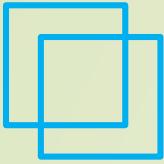

## Process & quality

A strict regime of internal audits, critical process check, 3rd party testing on fabric / accessories / garments and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

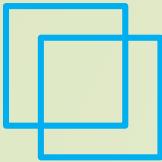

## HR & Policy

We follow a strict Code of Conduct (CoC) imbedded in our corporate HR policy - a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.

**MD. Zafar Iqbal**  
Chairman

FFL group was founded in 2020, in Gazipur with the dream of serving to the apparel sector. More than 05 years of experience, our company has become a breath of fresh air and a driving force for the industry with both its innovative perspective and quality policies. Today, we export to more than 10 European countries as well as UAE, KSA, New Zealand, Australia. We are one of the reputed company within the sector now. The brands we work with are the company that always have high quality expectations and have a significant share in the sector. As the Chairman FFL group, I see our success target as quality at all times and also innovative perspective. I would like to express my thanks to everyone who kept sharing this passion with us.

**Hilary Fernando**  
MD & CEO

The Chairman's vision—quality and innovation—is the foundation of the FFL Group.

Founded in Gazipur in 2020, our rapid growth is a direct result of our team's dedicated execution and focus on operational excellence. We reliably serve high-quality brands across Europe, the UAE, KSA, New Zealand, and Australia.

As CEO, my focus is future-forward: sustainable growth and setting new industry benchmarks. We will continue to invest in people and technology to ensure FFL remains a global leader.

Thank you to our entire team for transforming vision into reality.
